Read the following case and answer the questions given at the end. Case

Mr. Alex and Mr. Murthy are planning to start a business in Mumbai, Mr. Alex wants to invest Rs. 3 crore and Mr. Murthy Rs. 2 crore in the business. Mr. Murthy is a resident of India; Mr. Alex is a resident of USA. They want to start the business in partnership, but Mr. Alex wants to buy his own land for business purpose in Mumbai. For this he is

ready to invest more than 50 lakh. Mr. Murthy suggest to Mr. Alex that it is not easy to buy land in Mumbai in the latter's name. It would be better to buy the land and all assets required for the business in his, Mr. Murthy's name because RBI may prohibit any borrowing or lending in rupees between a person resident in India and person resident outside India and under Section 6 of FEMA, RBI may by regulation, prohibit, restrict or regulate the establishment in India of a branch office, or other place of business by a person resident outside India, for carrying on any activity relating to such branch, office or other place of business. Therefore Mr. Murthy suggest that Mr. Alex just invest the money. Whatever assets they will buy will be owned by Mr. Murthy alone.

Mr.Alex does not agree with this suggestion of Mr. Murthy. He says, "We will buy all assets in partnership as we are starting a business in partnership".
